GNOC, Corp. (Atlantic City Hilton)
NOTES TO FINANCIAL STATEMENTS
(Unaudited)
(All dollar amounts in thousands)

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and basis of presentation

The accompanying financial statements include the accounts of GNOC, Corp., a New Jersey corporation (the "Company"). The Company is a wholly owned subsidiary of Bally's Park Place, Inc., which owns and operates the casino hotel resort in Atlantic City, New Jersey known as Bally's Atlantic City ("Bally's Atlantic City"), which is a wholly owned subsidiary of Caesars Entertainment, Inc. ("CEI"). In January 2004, CEI changed its name from Park Place Entertainment to Caesars Entertainment, Inc. The Company owns and operates the casino hotel resort in Atlantic City, New Jersey known as the "Atlantic City Hilton." The Company operates in one industry segment and all significant revenues arise from its casino and supporting hotel operations.

All adjustments to these financial statements have been recorded and are, in the opinion of management, necessary for a fair presentation of the balance sheets for the Company at March 31, 2005 and 2004, and its statements of income for the three months ended March 31, 2005 and 2004 and its statements of cash flows for the three months ended March 31, 2005 and 2004. All such adjustments were of a normal recurring nature.

Sale of assets and certain liabilities

On September 27, 2004, CEI entered into a definitive agreement to sell most of the assets and certain related liabilities of the Company as well as the assets of certain other affiliates of CEI to Resorts International Holdings, LLC ("Colony"), an affiliate of Colony Capital, LLC, a Los Angeles based international private investment firm, for approximately \$612,000,000. The transaction was completed on April 26, 2005. The company ceased to operate the Atlantic City Hilton as of that date.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenue and expenses reported during the period. Actual results could differ from such estimates.

Revenue recognition and promotional allowances

Casino revenues represent the net revenue from gaming wins and losses. The revenues from hotel, food and beverage, and from theater ticket sales are recognized at the time the related services are performed. The statement of income reflects operating revenues including the retail value of complimentary services (also known as promotional allowances), which are deducted on a separate line to arrive at net revenues. Promotional allowances are provided to casino patrons without charge.

Inventories

Inventories are stated at the lower of cost or market. Cost is determined using the weighted average cost method.

Property and equipment

Property and equipment are stated at cost. Depreciation is provided on the straight-line basis over the estimated economic lives of the related assets. Depreciation expense was \$4,466 and \$4,323 for the three months ended March 31, 2005 and 2004, respectively.

<u>Asset class</u>	<u>Life</u>
Buildings	40 years
Building improvements	3-10 years
Furniture, Fixtures and Equipment	3-10 years

Costs in excess of acquired assets

In 1987, Bally Entertainment Corporation (formerly the parent of the Company) acquired the Company, other related properties and real estate leases in a transaction which was accounted for as a purchase.

In June 2001, the Financial Accounting Standards Board ("FASB") issued Statement of Financial Accounting Standard No. 142, "Goodwill and Other Intangible Assets" ("SFAS 142"). Under SFAS 142, goodwill and indefinite-lived intangible assets are no longer amortized but are reviewed at least annually for impairment. Separate intangible assets that are not deemed to have an indefinite life will continue to be amortized over their useful lives (but with no maximum life). Pursuant to SFAS 142, goodwill amortization ceased on January 1, 2002. Prior to the adoption of SFAS 142, the excess of the total acquisition cost and debt assumed over the fair value of net assets acquired (goodwill) had been amortized on the straight-line method over forty years.

Connection Card Program

The Connection Card Program allows players to earn credits that may be accumulated over time and redeemed at their discretion at any CEI casino in the United States in accordance with the rules of the program. The Company records an estimated liability at the time the credits are earned for the incremental cost of providing goods and services under the program.

Fair values of financial instruments

The fair values of the Company's financial instruments including receivables, payables and debt, approximate their recorded book values at March 31, 2005 and 2004.

Accounting Pronouncements

In 2003, the FASB issued FIN No. 46, "Consolidation of Variable Interest Entities." FIN No. 46 addresses consolidation of entities that are not controllable through voting interest or in which the equity investors do not bear the residual economic risks and rewards. These entities have commonly been referred to as special purpose entities. The Interpretation provides guidance related to identifying variable interest entities and determining whether such entities should be consolidated. It also provides guidance related to the interest in newly consolidated variable interest entities and requires disclosures for both the primary beneficiary of a variable interest entity and other beneficiaries of the entity. Implementation of this Interpretation did not have any impact on the Company's financial statements, as the Company does not have any variable interest entities.

Income taxes

Taxable income or loss of the Company is included in the consolidated federal income tax return of CEI. The Company provides for income taxes by applying the respective state and federal statutory rates to pre-tax financial statement income. The corresponding liability or receivable is credited or charged to its corporate parent. Deferred income taxes and liabilities for temporary differences between the carrying amounts for financial reporting and income tax purposes, if any, are accounted for by CEI in accordance with the tax sharing agreement between CEI and the Company.

New Jersey tax legislation

The New Jersey State Legislature passed a bill to increase taxes on the New Jersey casino industry, beginning in the State's fiscal year 2004 (starting July 1, 2003). Included in this legislation is a tax on net profits, taxes on certain complimentaries, and increases in parking, rooms and other fees. Profits tax expense is reflected in the provision for income taxes. Other taxes are reflected in selling, general and administrative expenses.

Casino Reinvestment Development Authority

The New Jersey Casino Control Act provides, among other things, for an assessment of licensees equal to 1.25% of their gross gaming revenues in lieu of an investment alternative tax equal to 2.5% of gross gaming revenues. The Company has satisfied this investment obligation by (i) investing in qualified eligible direct investments, (ii) making qualified contributions or (iii) depositing funds with the Casino Reinvestment Development Authority ("CRDA"). Funds deposited with the CRDA may be used to purchase bonds designated by the CRDA or, under certain circumstances, may be donated to the CRDA in exchange for credits against future CRDA investment obligations. CRDA bonds have varying terms of up to fifty years and bear interest at below market rates. The Company records a charge to reflect the estimated realizable value of its CRDA investments.

An affiliate of the Company, Boardwalk Regency Corporation ("Caesars Atlantic City") has started construction of a new parking garage and has entered into an agreement with developers for the renovation of the Ocean One Shopping Mall, located on the boardwalk in Atlantic City. The Company, Caesars Atlantic City and Bally's Atlantic City entered into a credit agreement (the "Credit Agreement") with the CRDA to partially finance the construction of these projects. The Credit Agreement provides for funding from the CRDA for qualified development costs incurred. The CRDA funding will come from amounts either currently on deposit or to be deposited with the CRDA pursuant to the Company and its affiliates' investment obligations. As of March 31, 2005 the Company has received \$6,957 of previously deposited funds from the CRDA. Upon receipt of these funds, the Company recognized a reduction of \$2,296 in reserves, to reflect its current estimated realizable value of its remaining CRDA investments.

The twelve Atlantic City casino properties (the "AC Industry") and the CRDA have entered into an agreement with the New Jersey Sports & Exposition Authority (the "NJSEA") to provide funding to subsidize New Jersey's horseracing industry. In exchange for this funding, the NJSEA and the three active New Jersey racetracks will not conduct any casino gaming at the racetracks prior to January 1, 2009. As part of the agreement, the AC Industry will provide \$34 million over a four year period to the NJSEA and must deposit another \$62 million into the Casino Expansion Fund (managed by the CRDA). The \$62 million will be derived from funds either currently on deposit or to be deposited with the CRDA pursuant to each casino property's investment obligation. The Company's obligation is equal to its fair-share of AC Industry casino revenues. The Company estimates this commitment over the four year period to be a total of \$2,100, the first payment of which was made November 2004. The total estimated commitment will be charged to operations on a straight line basis through January 1, 2009. Once the Company meets its deposit obligation related to its fair share of the \$62 million, the Company is eligible to receive funds from the Casino Expansion Fund for qualified construction expenditures. The Company has until June 30, 2014 to submit an application to exhaust its share of the Casino Expansion Fund. Any funds not transferred out of the Casino Expansion Fund by the required date will be transferred to funds on deposit with

the CRDA pursuant to its ongoing investment obligations.

Allocations and transactions with related parties

The Company transfers cash in excess of its operating needs to CEI on a daily basis. CEI provides the Company with cash advances for capital expenditures and working capital needs.

Certain executive, administrative and support operations of the Company and other CEI affiliates are consolidated, including limousine services, advertising, sales and marketing services, purchasing and other administrative departments. Costs of these operations are allocated to or from the Company either directly or using various formulas based on estimates of utilization of such services. Management believes the methods used to allocate these costs are reasonable. In addition, the Company leases land from Bally's Atlantic City.

CEI allocates certain expenses to the Company, such as information technology, internal audit and risk management. These expenses are allocated to the Company using various formulas based on estimates of utilization of such expenses. Management believes that the methods used to allocate these costs are reasonable.

Advertising and Marketing Fee

Hilton Hotels Corporation charges the Company for certain hotel reservation services, and advertising and marketing support in accordance with the fees established for participation in the Hilton Honors Program, as well as a national and regional group advertising and sales promotions service fee equal to 1% of net room revenues.

Merger Agreement

On July 14, 2004, CEI, Harrah's Entertainment, Inc. ("Harrah's") and Harrah's Operating Company, Inc., a wholly-owned subsidiary of Harrah's, entered into an Agreement and Plan of Merger (the "Merger Agreement"), providing for the merger of CEI with and into Harrah's Operating Company, Inc., which would be the surviving corporation.

On March 11, 2005, the stockholders of CEI and Harrah's approved the Merger Agreement. The transaction with Harrah's is still subject to a number of conditions, including, among other things the receipt of all necessary antitrust, gaming and other approvals, and the satisfaction or waiver of all other conditions precedent.
